

DOG TRAINER JOB POSTING

Happy Tails Pet Resort and Spa is an upscale full-service dog and cat pet care facility. We are committed to providing a safe, clean and fun environment for our employees and the pets in our care.

Come grow with us!

Happy Tails Pet Resort and Spa is seeking an energetic, conscientious and motivated employee to be responsible for our Resort's positive Dog Training program. You must be committed to and show a genuine interest in enhancing communication and teamwork between dog and pet parents and provide a fun and safe environment for dogs, pet parents and other Resort staff.

Essential Duties:

Provides Dog Training services as requested by the Resort management and customers by performing the following essential duties:

- Provides customer service in the form of consultations and explanation of services available/rendered with explanation of costs
- Cleans and maintains the training area and equipment
- Identifies external parasites and reports them to the Resort management
- Promoting, conducting and instructing all current dog training curricula
- Coaching, encouraging and motivating dogs and pet parents
- Effectively deliver formal presentations
- Achieve dog training goals by offering creative training solutions
- Perform "Meet and Greet" evaluations of our clients (dogs)
- Strong ability to inspire and motivate self and others.
- Ensure that all animals at the Resort receive the highest quality care and are maintained in a clean, safe and secure habitat
- Promote established safety and loss prevention procedures
- Computer skills with the ability to quickly research information from the Internet
- Excellent customer service and organizational skills
- Have a true passion for working with animals.
- Experience and ability to handle a variety of sizes/breeds of canines and felines safely and comfortably (this is a must).
- Reliable and flexible to Resort schedule needs including evenings, weekends and holidays as these are our busiest times.
- Perform other duties that may be assigned

Qualifications:

The ideal Dog Trainer candidate will have:

- Academy trained certification
- Previous experience teaching positive reinforcement dog training techniques in group or class settings.

Apply with us for the opportunity to work with wagging tails and purring cats!!!
